Clackmannanshire Partnership Structure for Employability

The Alliance's role is providing the strategic vision and direction for community planning as well as monitoring the implementation of the Local Outcomes Improvement Plan. The Alliance meets quarterly and is chaired by the Leader of the Council.

The Alliance is supported by a public, private and voluntary/third sector partnership which is responsible for taking forward Economic Development in Clackmannanshire. The team is chaired by a representative of the private sector and meets quarterly.

The Local Employability Partnership (LEP) facilitates, supports and co-ordinates the provision of employability services in Clackmannanshire.
