Dear Resident,

Traffic Management Consultation - Fairfield, Sauchie

Clackmannanshire Council is currently consulting on the introduction of additional traffic management measures on Fairfield Road, Sauchie. The changes are designed to reduce traffic and promote road safety.

Measure 1:

The introduction of a zebra crossing. The plan provided shows the location of the proposed crossing.

Measure 2:

The introduction of a 7.5 tonnes weight restriction (except for access) on Fairfield Road. The restriction would be introduced on a trial basis to allow the Council to monitor the impact on Fairfield and surrounding residential streets.

We trust that you will find the information provided helpful. This is your chance to comment and Clackmannanshire Council welcomes your views.

Consultation responses should be sent by Monday 31st October 2011 to:

Carlyn Fraser
Traffic Management & Road Safety Officer
