

Zero Waste Strategy Consultation – Response Sheet

Please use the table below as a template to respond to the consultation. It will help us to record and take account of your views.

Also, please provide evidence for your answers and comments where possible.

PERSONAL DETAILS
<p>Your Name:</p> <p>Email Address:</p> <p>Contact Address:</p> <p>Contact Telephone:</p> <p>Organisation Name (if applicable):</p> <p>Would you like this response to remain confidential? Yes/No</p> <p>If yes, please state your reasons:</p>
CONSULTATION QUESTIONS
<p>Question 1</p> <p>What further action could be taken by you, the Council and others to prevent waste being created?</p>
<p>Question 2</p> <p>What more could the council do to engage with and support communities in helping them reduce waste?</p>

Question 3

What further action can the Council and our partners take to ensure that householders & businesses are fully aware of the need to separate their waste and use the systems provided to minimise their non-recyclable waste?

Other Comments

Do you have any other comments (including comments upon the Environmental Report that accompanies the Main Issues Paper)?

Please email or post this response form to the relevant contact below and respond by **Friday 6th July 2012**.
