The Scottish Government has introduced a scheme to provide a free school lunch for all children in Primary 1-3 in Scotland.

Clackmannanshire Council Catering Service provides a three week menu cycle which has been created and analysed in line with legislation so that your child can choose a well balanced nutritious meal.

Every child can enjoy a two course meal with as much salad or vegetables as they wish, a drink of their choice and fresh bread. Along with dessert choices, there is also a selection of fresh fruits available daily.

You can see details of the menus available online at ClacksWeb, or if you'd like to have a copy of the Menu Selector leaflet then please contact our Catering Service.

Special Diets

If your child for any reason requires a special diet, please inform the Head Teacher giving full details of the specific needs along with your full name and telephone number. The Catering Service will then contact you to discuss in full and will put all procedures in place to ensure your child is well catered for.

If you would like to discuss any matters related to the menus or lunch service, please contact Diane Mackenzie, FM Service Officer (Catering) 01259 452190 or Wendy McGhee, FM Service Co-ordinator (Catering).
