MOTION TO COUNCIL - 22nd OCTOBER 2015

"This Council opposes the UK Government's proposed changes to Trade Union legislation; specifically the introduction of ballot turnout thresholds on all strike ballots, use of agency workers to replace striking staff, criminalisation of striking workers on the picket line and the proposal to place demands upon unions to publish their plans.

Council resolves to work with the unions to stand up for the rights of workers."

[REDACTED SIGNATURE]

Councillor Les Sharp
Leader of the Council
