## Equality and Fairer Scotland Impact Assessment - Decision

Evidence findings		
The proposal was assessed as having a low impact on equalities/poverty groups. Very little feedback was provided either through online engagement, engagement with parent councils or via budget engagement community events. All feedback was provided to elected members as part of the decision making process.		
Details of engagement undertaken and feedback received		
As above		
Decision/recommendation		
Having considered the potential or actual impacts of this policy, the following decision/ recommendation is made:		
<b>Tick</b>	<b>Option 1: No major change</b>	
X	The assessment demonstrates that the policy is robust. The evidence shows no potential for unlawful discrimination and that all opportunities have been taken to advance equality of opportunity and foster good relations, subject to continuing monitoring and review.	
	<b>Option 2: Adjust the policy</b> – this involves taking steps to remove any barriers, to better advance equality or to foster good relations. It may be possible to remove or change the aspect of the policy that creates any negative or unwanted impact, or to introduce additional measures to reduce or mitigate any potential negative impact.	
	<b>Option 3: Continue the policy</b> – this means adopting or continuing with the policy, despite the potential for adverse impact. The justification should clearly set out how this decision is compatible with the Council's obligations under the duty.	
	<b>Option 4: Stop and remove the policy</b> – if there are adverse effects that are not justified and cannot be mitigated, consideration should be given to stopping the policy altogether. If a policy leads to unlawful discrimination it should be removed or changed.	
Justification for decision		
The Council met on 6th March 2019 and set the budget for 2019/20. This included the approval of this policy.
