2.6 Considering asset transfers that have completed since 2017, what do you consider to be the outcomes (benefits/challenges) for the communities that have taken ownership of the assets? Please give examples if you can.

Activities and services which meet the needs of local people have been organised and maintained; people have rallied to support the groups taking on the assets./ the work and cost of maintaining the fabric of a building entails presents the main challenge.

Section Three – Promotion and Equality

3.1 Please provide information on any action you have taken to promote the benefits of asset transfer or any support provided for communities to engage with the Asset Transfer Request process during 2020/21.

The benefits of community asset transfer are promoted on our dedicated webpage. Our publicity encourages groups to discuss their needs with us prior to engaging in the formal process. In the course of this engagement we provide groups with support with the process of taking on responsibility for a property tailored to their specific cases.

3.2 In particular what action has been taken to support disadvantaged communities to engage with the asset transfer process during 2020/21?

We offer to have one-to-one conversations about the asset transfer process. Proactive contact has been curtailed in the reporting year due to the prioritisation of the covid response.

3.3 Please provide any details of the inclusiveness and involvement of local organisations when determining asset transfer applications.

Local organisations will be notified of relevant asset transfer applications as part of our procedures.

Section Four – Additional Information

4.1 Please use this space to provide any further feedback not covered in the above sections.

For example, we are interested in your reflections about what has gone well and what has gone less well in relation to Asset Transfers during 2020/21?

Is there any aspect of the process that you intend to adapt or change in the year ahead?

Have you identified any needs for guidance or support that would support the ATR process?

If you have developed any case study material or published new information about Asset Transfer Requests please share links to those with us here.

Although activities were curtailed in the reporting period when resources were diverted to the covid 19 response, an unsuccessful applicant has indicated they will provide feedback on the process. We will take this feedback into account when reviewing our guidance and procedures.

Subject to the pressures of responding during Covid, if possible please email the completed template by 30 June 2021 to community.empowerment@gov.scot

If you have any queries please contact Malcolm Cowie, Asset Transfer Policy Manager at Malcolm.cowie@gov.scot
