Summary

Clackmannanshire Council's Register of Charges details a list of all Services that the Council provides. The majority of these services incur a statutory fee or charge, but services that are provided free of charge are also listed.

The fees and charges apply from 1st April 2021 to 31st March 2022. The Council reserves the right to apply changes to the charges at any time. Statutory charges are subject to revision if the legislation governing the charge changes.

Where a charge is inclusive of VAT, this is calculated at 20%.

Discounts

The Building (Scotland) Act 2003 permits the optional procedure for design or construction work to be certified by qualified, experienced and reputable building professionals and tradesmen as complying with the Building Regulations

Certification. This may only be undertaken by an approved certifier of design or an approved certifier of construction who is registered in an appropriate approved certification scheme and, where relevant, holds the appropriate designation(s) in such a scheme.

Discounts of the fee payable are only valid if the Verifier is informed, in writing, of the intention to use an Approved Certifier of Design and/or Approved Certifier of Construction at the time of application for Building Warrant or when submitting a Late Completion Certificate Where No Building Warrant Obtained.

Where one or more certificates are presented with an application or submission the payable fee is discounted as follows:

Building Standards - Non-Statutory Charges

Confirmation of Completion (minimum charge)	£250
Property Inspection (minimum charge)	£500
Further Site Visits	£117

N.B. The Council reserves the right to increase the above fees subject to the increased complexity of the project involved.

Tenant Repair Responsibility

Under the terms of the Scottish Tenancy Agreement the Council can charge tenants if it decides to carry out repairs to damage caused by the tenant or anyone living with the tenants or a visitor to the tenancy. If the Council decides to carry out these types of repairs the tenant will be informed of any costs to be charged in as far as practicable prior to the work commencing. This would not apply to damage caused by fair wear and tear and or vandalism which has been reported and investigated by the police.

Price dependent upon work required

Mixed tenure works where the Council factors the block

Under the Property Factors Act the Council factors a number of properties which were sold under the Right to Buy legislation. Those properties which are factored by Clackmannanshire Council will be billed for the upkeep and maintenance of common areas of properties where ownership and responsibility is shared between the council and other private owners. The costs will be shared in accordance with the title deeds or any formal block policy.
