Library Service Plan on a page 2024-27

Clackmannanshire Council | Comhairle Siorrachd Chlach Mhanann
www.clacks.gov.uk

Ambition 2024-27		
Our Public Libraries enable and empower the communities they serve		
Objectives 2024-27		
Libraries support people and communities	**Libraries are valued community spaces**	**Libraries in partnership**
Outcomes 2024-27 (Fast Forward: Public Library Strategy Refresh 2026)		
• Communities and people are supported and enabled	• Highly skilled, energised and resilient staff • Health and wellbeing of our communities is supported and enhanced • Spaces are accessible, inclusive and well used	• Partnership working is collaborative and outcome focused • Service development is collaborative and co-designed
Actions 25-26 – update to 2026/27		
• Expand the reach of national programmes and local initiatives across Clackmannanshire to support improvements in literacy. • Implement our new community service delivery model within Alva and Tullibody • • Continue to ensure our rich and diverse communities are reflected in both library resources and programming • Review and renew our library vision and values to reflect our new service model • Identify and introduce National and Local initiatives as part of our community-based pop-up service that will engage and enhance the library service offer	• Introduce Values Based Leadership approaches to our workforce to support staff to develop skills to effectively deliver our new innovative and progressive library service model • Provide and develop staff leadership opportunities in line with the aspirations of the new service delivery model. • Maximise the use of our library spaces for community wellbeing through a community-based approach • Continue to develop our approaches to ensuring our communities actively contribute to the future of pop -up library services	• Develop partnership and collaboration between libraries, communities, and wider Council Services in line with our new library service delivery model. • Develop our use of consistent data measurement and self-evaluation practices to inform community service improvement. • Map and capture collaboration and partnership as our community based/pop up library services grows and develops. • Develop and implement an effective communications strategy to support the development of the new service delivery model
