Procurement Motion

This Council acknowledges the enormous strain on Clackmannanshire's already fragile economy due to the Coronavirus lockdown and will use our own Procurement potential to its fullest to regenerate that economy both in the short and long term. We will also use our influence on our partner agencies to do likewise. This Council recognises our staffing complement is inadequate to accomplish such a complex task with the urgency needed and will look to the 2021 - 2022 budget to appoint additional skilled staff to enable this critical task to be undertaken.
