Motion to Clackmannanshire Council Meeting 15th May 2025

Council instructs the Chief Executive to initiate the dispute resolution process as set out in Section 14 of the Clackmannanshire and Stirling Health and Social Care Integration Scheme.

The dispute concerns two key issues:

- a) the process and governance arrangements for reviewing the Integration Scheme; and
- b) the need to formalise partner arrangements for reviewing the Integration Joint Board's Strategic Commissioning Plan.

The Chief Executive is further instructed to explore opportunities to align this process with the dispute initiated by Stirling Council, in order to maximise efficiency across all partners.
