**Motion to Clackmannanshire Council
Meeting of Thursday 24th October 2013**

Potential Partnership Working with Food Banks and Other Voluntary Organisations
to Support Vulnerable People Across Clackmannanshire

That following a series of reports on the impacts of the recession and welfare reform
on communities in Clackmannanshire, the Council:

"Notes with concern the ongoing impact of welfare reform on communities and
families across Clackmannanshire and the challenges this brings; agrees to explore
the potential for enhanced partnership working with local food banks and other
voluntary organisations to support vulnerable people and families in
Clackmannanshire - for example by providing meals to children who ordinarily
receive free school meals during the school holidays; that this exploration should
include the consideration of potential funding streams (such as Big Lottery funding)
which might support any development of food banks or other relevant organisations
in supporting vulnerable families."
