ON THE AGENDA**

**Motion to Clackmannanshire Council
Meeting of Thursday 21st February, 2019**

That the Council recognises the devastating impact plastic pollution is having on our environment and the Council's own contribution to this, in particular via single use plastics.

The Council acknowledges we must lead by example, step up our own efforts to reduce single use plastic waste and encourage others to follow suit.

Clackmannanshire Council will begin by transitioning away from single-use plastics commencing at Kilncraigs.
