**Subject: Licensing (Scotland) Act, 2005, Section 68
Licensing Standards Officer - Report on Application for Extended Hours
3x applications – British and Irish Lions Tour 2025,**

1. Section 69(1)(b) of The Licensing (Scotland) Act, 2005 requires that the Licensing Standards Officer for the area be notified of all Extended Hours Applications. Section 69(3) of the Act requires the licensing Standards Officer to submit a report setting out his comments on the application within
2. Having read the content of the 3 attached applications and having made such enquiry as necessary I would like to make the following comments.
3. The 3 applications all seek to bring forward the commencement hour for alcohol sales to 10:00 am on each of the following 3 days.
 1. 19 July, 2025
 2. 26 July, 2025 and
 3. 2 August, 2025.
4. The extension of hours is to facilitate the sale of alcohol on the premises whilst showing live television transmissions of key matches forming part of the British and Irish Lions tour of Australia.
5. I am satisfied that a special event to be catered for on the premises will take place on each of the above dates, and will involved opening the premises to an invited audience holding tickets.
6. The applicant explains fully on his application that he is seeking these extended hours to allow the sale of alcohol to a restricted number of invited guests/ticket holders for no more than an hour prior to the 11:00am (BST) kick offs.
7. Food will be provided as part of the event.
8. The proposed extension falls outside the Licensing Board Policy in relation to licensed hours, and in the circumstances it is a matter for the Board to decide

whether or not to grant the application. However I have no concerns whatsoever in relation to the events and the reasonable request for an additional hour.

9. There are no concerns relating to public order, public safety, public nuisance or the welfare and protection from harm of children and young persons.
10. Similar hours to those sought in these applications were granted by the Licensing Board, in relation to the British Lions Rugby Tour of New Zealand in 2017 and the RWC in 2019. Those applications were granted subject to a number of local conditions.
11. I have no concerns or adverse comments to make in relation to this application, and unlike previous events for longer periods at more obscure hours of the day I do not feel that there is a need for local conditions to be applied to this licence.

Paul Fair,

Licensing Standards Officer.
