**Subject: Licensing (Scotland) Act, 2005, Section 57 (3)  
Occasional Licence Application – Lynne Hunter  
Live Music Night – 6 May, 2018  
Alloa Town Hall, Marshall, Alloa**

Section 57(1)(b) of The Licensing (Scotland) Act, 2005 (the Act) requires that the Licensing Board notifies the Licensing Standards Officer for the area in relation to any application for an occasional licence. This section further provides that the Licensing Standards Officers is provided with a copy of the application.

Having considered the content of the application and made the necessary enquiry I have the following comments to make:

1. The application relates to a live music event which is likely to result in a capacity attendance at the venue of approximately 400 persons. The event is described as a "Live Music Performance". No other information has been provided in the application in relation to the nature of the music or performers.
2. The Licensing Standards Officer, made contact with the applicant who was able to confirm that the band that will play are a popular Irish folk band. The applicant has been given suitable guidance in relation to providing information on future applications.
3. The event is to be licensed between 6.00pm and 11:00pm on Sunday 6 May 2018.
4. No person under the age of 18 years will be allowed into the venue during the event.
5. SIA Licensed Stewards will be on duty at the event, the application indicates that 4 stewards will be in attendance. Due to the layout of the premises, the expected size of the crowd, and the fact that the entire premises including the upper balcony will be in use, I was concerned that 4 Stewards may not be a sufficient number to provide adequate safety and security provision at the event. The

applicant, after discussion, has agreed that 6 Stewards would not be an unreasonable expectation. The Board may wish to specify a minimum number of stewards in any local conditions attached to the licence for this event.

6. Entry to the event will be on production of a valid ticket only.
7. The premises are suitable for an event of this nature.
8. The applicant is a personal licence holder with sufficient experience in providing external bar facilities at a variety of events.
9. The applicant will be working at the event and in attendance for the duration of the licensed hours.
10. The applicant will only use personal licence holders or other staff trained to the standards required by the Licensing (Training of Staff)(Scotland) Regulations 2007 to sell alcohol at the event.
11. In promoting the licensing objectives I would suggest that the following matters are those which would be best controlled by conditions on the licence.
  - Use of plastic Bottles and Glassware
  - Sufficient SIA Licensed Stewards
  - Personal Licence Holder on premises for duration of event
  - Only trained staff permitted to make sales of alcohol
  - All musical performance of live or recorded music must end at least 15 minutes prior to the terminal hour.
  - Prevention of noise nuisance caused by late night disposal of glass
12. Appendix A contains a list of specimen local conditions which the Board may find to be both necessary and expedient for the purposes of the licensing objectives in connection with this event
13. I have no concerns about this event.

Paul Fair

Licensing Standards Officer.

**Subject: Licensing (Scotland) Act, 2005, Section 57 (3)  
Occasional Licence Application – Kelly Whyte  
Amateur Youth Boxing event – 18 May, 2018  
Alloa Town Hall, Marshall, Alloa**

Section 57(1)(b) of The Licensing (Scotland) Act, 2005 (the Act) requires that the Licensing Board notifies the Licensing Standards Officer for the area in relation to any application for an occasional licence. This section further provides that the Licensing Standards Officers is provided with a copy of the application.

Having considered the content of the application I have the following comments to make:

1. The application relates to a competitive amateur youth boxing event. The bouts are to take place within a boxing style ring erected on the ground floor of the Town Hall, and will involve competitors and spectators from aged 9/10 years upwards
2. The event is to be licensed between 6.00pm until Midnight on Friday 18 May, 2018.
3. Approximately 300-350 persons may attend the event.
4. 5 SIA licensed stewards will be on duty at the event.
5. Boxing at all levels is an emotional, full contact aggressive sport, and although the competitors are disciplined and controlled, this discipline is often not mirrored by all of the spectators attending the event. Information received by the Licensing Standards Officer indicates that it is common place for emotionally charged spectators, in the ringside area to become extremely verbally abusive towards the opponent of the boxer they are supporting. One witness who attends regular youth boxing events describes this type of behaviour as common place, quite threatening and intimidating. Taking this information into consideration and bearing in mind the Licensing Board's own statement of Licensing Policy, in which they (the Board) properly recognise that children should not be unnecessarily exposed to certain types of adult behaviour, the Board must

consider whether or not the obligations of the protecting children from harm licensing objective can be appropriately met by allowing 10-15 year old children full access to the stage and ringside area.

6. The application seeks consent for both spectators and competitors under the age of 18 to be permitted on the premises. Children as young as 10 years of age are expected to attend and remain on the premises until the end of the event and for children and young persons to access all licensed areas.
7. Previous sporting events, with a licence to sell alcohol in Clackmannanshire Town Hall, including those sporting events involving martial arts and boxing have restricted children's and young persons access to the Balcony, changing rooms and competition and preparation areas (ie stage or ring), where any persons under 18 must be appropriately supervised by an adult. No alcohol has been permitted in these areas.
8. The premises are suitable for an event of this nature.
9. In the event that the Licensing Board decide to grant this application, in promoting the licensing objectives I would suggest that the following matters are those which would be best controlled by local conditions on the licence.
  - Sufficient SIA Licensed Stewards to be on duty ( a minimum of 5 would appear to satisfy the arrangements for the event and layout of the premises)
  - A written age verification policy should be prepared prior to the event and all Staff including stewards to be briefed in relation this policy. (LSO Will assist the applicant with this matter)
  - Stewards and all bar staff to be briefed by licensee/organiser re any local conditions imposed.
  - Use of plastic bottles and plastic drinking vessels. ie all drinks to be either dispensed in plastic glasses or bottles or decanted into a suitable plastic container by the bar staff before being supplied to the customer.
  - Controls on the movement and supervision of youth competitors and spectators to avoid the risk of them being exposed to unsuitable behaviour.

Paul Fair

Licensing Standards Officer.

**Subject: Licensing (Scotland) Act, 2005, Section 57 (3)  
Occasional Licence Application – Vincent Coyle  
Cochrane Hall, Alva– Boxing Event, 10 August 2018.**

Section 57(1)(b) of The Licensing (Scotland) Act, 2005 (the Act) requires that the Licensing Board notifies the Licensing Standards Officer for the area in relation to any application for an occasional licence. This section further provides that the Licensing Standards Officers is provided with a copy of the application.

Having considered the content of the application I have the following comments to make:

1. The application relates to a competitive mixed martial arts (MMA) /kickboxing event. The bouts are to take place within a traditional boxing ring. This ring will be erected in the Hall.
2. All spectators and competitors will be over the age of 18 years of age.
3. Entry to the event is on production of a valid ticket.
4. No person under the age of 18 years of age will be permitted entry to Cochrane Hall during the event.
5. The event is to be licensed between 5.00pm and Midnight on Friday 10 August, 2018.
6. Approximately 220 persons may attend the event.
7. The applicant indicates that 8 SIA Licensed stewards will be provided at the event.
8. Medics, Paramedics, and at least one qualified Doctor will be in attendance at the event.
9. The premises are suitable for an event of this nature.
10. Previous sporting events, with a licence to sell alcohol in Alloa Town Hall, including those sporting events involving martial arts and boxing have attracted

local conditions to control matters connected with securing compliance with the licensing objectives

11. In promoting the licensing objectives I would suggest that the following matters are those which would be best controlled by conditions on the licence.

- Sufficient SIA Licensed Stewards to be on duty (The applicant is capable of assessing how many stewards would meet that test of sufficiency)
- All Staff to be briefed in relation to the age verification policy to be adopted at this event. (challenge 25), this should include a written age verification policy to be held on the premises during the event and to form part of a staff/steward briefing pack.
- Stewards and all bar staff to be briefed by licensee/organiser re any local conditions imposed.
- Use of plastic bottles and plastic drinking vessels. ie all drinks to be either dispensed in plastic glasses or bottles or decanted into a suitable **plastic** container by the bar staff before being supplied to the customer.

12. The conditions proposed in this report have been discussed with the applicant who has indicated that he is happy to comply with all of them,

Paul Fair

^

Licensing Standards Officer.
