**Subject: Licensing (Scotland) Act, 2005, Section 57 (3)
Occasional Licence Application - Hillfoots Rugby Club
Charity Touch Rugby Tournament
18 May, 2019**

Section 57(1)(b) of The Licensing (Scotland) Act, 2005 (the Act) requires that the Licensing Board notifies the Licensing Standards Officer for the area in relation to any application for an occasional licence. This section further provides that the Licensing Standards Officers is provided with a copy of the application.

Having considered the content of the application I have the following comments to make:

1. The application relates to a charity touch rugby event to be hosted by Hillfoots Rugby Club, Tillicoultry.
2. The application seeks to licence a canvas marquee and associated outdoor drinking area. The intended outdoor area covers a substantial area encompassing the adjacent football pitch. This marquee will be located as indicated on the location map included with the application
3. The application seeks consent to sell alcohol for consumption on the premises (marquee) and in the designated outdoor drinking area for the duration of the event.
4. The event is to be licensed between 12:00hrs and 19:00hrs on Saturday 18 May, 2019.
5. It is anticipated that as many around 200 people will attend the event. The attendees will include children and young persons accompanied by adults.
6. Accompanied children and young persons will be permitted within the licensed area although they will not be permitted into the bar/marquee.
7. The venue is suitable for an event of this nature.

8. There will be a personal licence holder at the event and other staff authorised to sell alcohol will be trained to the standards required by the Licensing (Training of Staff)(Scotland) Regulations 2007.
9. As this is a family orientated event which is taking place at an outdoor venue, the Licensing Board may wish to apply conditions to the licence which would assist in reducing any risks of conflict with the licensing objectives.
10. The following matters of concern ((i) to (iv)) have been identified and discussed with the applicant.
 - (i) Alcohol in open glass containers, bottles or cans could be removed from the licensed area and consumed in other parts of the venue, including pitches and surrounding area.
 - (ii) The outside part of the licensed area if not clearly identified could result in confusion as to the area controlled by the Licensing (Scotland) Act 2005.
 - (iii) Carelessly discarded alcohol related litter (bottles/cans and glasses) could cause risk of injury to children and animals at the event.
 - (iv) The venue of the event is within the area covered by The Clackmannanshire Council Prohibition of Consumption of Alcohol in Designated Public Places Byelaws 1997. As such any alcohol consumed out with the licensed area would be consumed in contravention of the byelaws.

In response to these concerns and in conjunction with the Licensing Standards Officer the applicant has submitted an alcohol management plan, which appears to address all the matters raised. It is suggested that instead of the usual lengthy list of local condition's that the Board applies a single local condition in the following terms:- "The event must operate strictly in accordance with the management plan submitted along with the application". A copy of the management plan will be included as part of the issued licence.
