**Subject: Licensing (Scotland) Act, 2005, Section 57 (3)
4 x Occasional Licence Applications - Outdoor Area
Applicant- Ross Henderson CC175- Personal Licence Holder
Footpath area in front of The King Seat, Bridge Street, Dollar.**

Section 57(1)(b) of The Licensing (Scotland) Act, 2005 (the Act) requires that the Licensing Board notifies the Licensing Standards Officer for the area in relation to any application for an occasional licence. This section further provides that the Licensing Standards Officer is provided with a copy of the application.

Having considered the content of the applications to which this representation relates, I have the following comments to make:

1. This representation relates to 4 occasional licences each lasting for a period of 14 days, and seeking authority to make sales of alcohol for on sales consumption in an outdoors space which is not currently part of the licensed footprint of the premises at the above address.
2. The 4 applications seek to licence the premises from 26 August 2020 for a continuous period of 8 weeks until 7 October 2020.
3. The purpose of an occasional licence is to allow premises that are not normally licensed to be licensed "occasionally". Not necessarily for a special event or special occasion.
4. Scottish Government announced that as part of the stage 2 "easing lockdown" process, during the SARS-CoV-2 pandemic, outdoor food and drink areas, including licensed areas could open from Monday 6 July 2020, with indoor areas being opened from 15 July.
5. Clackmannanshire Council has received many enquiries and applications relating to the licensing of new outdoor areas on a variety of land types adjacent to

existing licensed premises. This representation relates to one of those applications.

6. On Friday 3 July 2020, the Licensing Board approved the use of a pre-application guidance document for those wishing to licence a new outdoor area. The applicant in this case has had the opportunity to view the document, has completed the supplementary information form and has acknowledged the understanding statement. The applicant has accepted the suggested conditions in that document and fully understands that additional conditions, from the pool list contained in the statement of licensing policy, may also be applied as local conditions.
7. The area in this case is part of the footpath (as shown on the attached drawing) in Bridge Street, Dollar and is adopted by the Clackmannanshire Council. The area is suitable for licensing in the current circumstances.
8. The applicant is aware that they should only use personal licence holders or other staff trained to the standards required by the Licensing (Training of Staff)(Scotland) Regulations 2007 to sell alcohol at the premises.
9. The applicant has also been advised that any staff left in charge at the premises should be the holder of a personal licence or should be able to make immediate contact with a personal licence holder responsible for the management of the premises, during all licensed hours.
10. Appendix A contains a list of suggested conditions that the Licensing Board may wish to impose on granting this application. These conditions are necessary to ensure compliance with the licensing objectives contained within The Licensing (Scotland) Act, 2005.

Licensing Standards Officer.

Appendix A

- 1 Alcohol sold for consumption in the licensed outdoor area will be ordered from, and delivered to the table, by staff employed at the premises.
- 2 The outdoor area must be clearly separated from any neighbouring unlicensed area by a physical barrier such as a fence or series of posts and rope or tape of at least 1 metre in height.
- 3 The outside area can only be occupied by persons seated at a table.
- 4 The licence holder must ensure that alcohol is only consumed by persons seated at a table.
- 5 (For Licensed public spaces only) All drinks whether alcoholic or not sold or supplied for consumption in the outdoor area, will be sold in or decanted into plastic or polycarbonate drinking vessels.
- 6 No entertainment, live or recorded music or performances will be permitted in any outdoor area.
- 7 All outdoor areas will be operated in compliance with the current Scottish Government guidance for Licensed Outdoor Drinking areas, including any amendments to that guidance which occurs in the duration of the licence.
