Memo

To:	The Clerk to the Licensing Board Greenfield Alloa FK10 2AD	From:	Paul Fair Licensing Standards Officer
		Extension:	2091
		Email:	pfair@clacks.gov.uk
		Our Ref:	PF/LSO/OL/CV19 REP
		Your Ref:	CC57-2021-OL (set2-2021)
		Date:	20 July 2021
Subject:	Licensing (Scotland) Act, 2005, Section 57 (3) 3 x Occasional Licence Applications - Outdoor Area Applicant- The Royal Arms, 2 High Street, Tillicoultry CC0057 Former Car Park area adjacent, and to the rear of The Royal Arms, Tillicoultry		

Section 57(1)(b) of The Licensing (Scotland) Act, 2005 (the Act) requires that the Licensing Board notifies the Licensing Standards Officer for the area in relation to any application for an occasional licence. This section further provides that the Licensing Standards Officer is provided with a copy of the application.

Having considered the content of the applications to which this representation relates, I have the following comments to make:

1. This representation relates to 3 occasional licences each lasting for a period of 14 days, and seeking authority to make sales of alcohol for on sales consumption in an outdoors space which is not currently part of the licensed footprint of the premises at the above address.
2. The 3 applications seek to licence the premises from 6 August 2021 for a continuous period of 6 weeks until 17 September 2021.
3. The purpose of an occasional licence is to allow premises that are not normally licensed to be licensed "occasionally". Not necessarily for a special event or special occasion.
4. The applicant is aware that he should be looking to a more permanent licensing solution if he wishes to continue the use of this area in the longer term during 2021 and has I understand he has recently obtained planning permission in relation to a permanent change of use for the area. An application for a permanent variation is to follow shortly.
5. The land in this case is an area previously used for car parking at the rear of the premises and is owned by the premises.

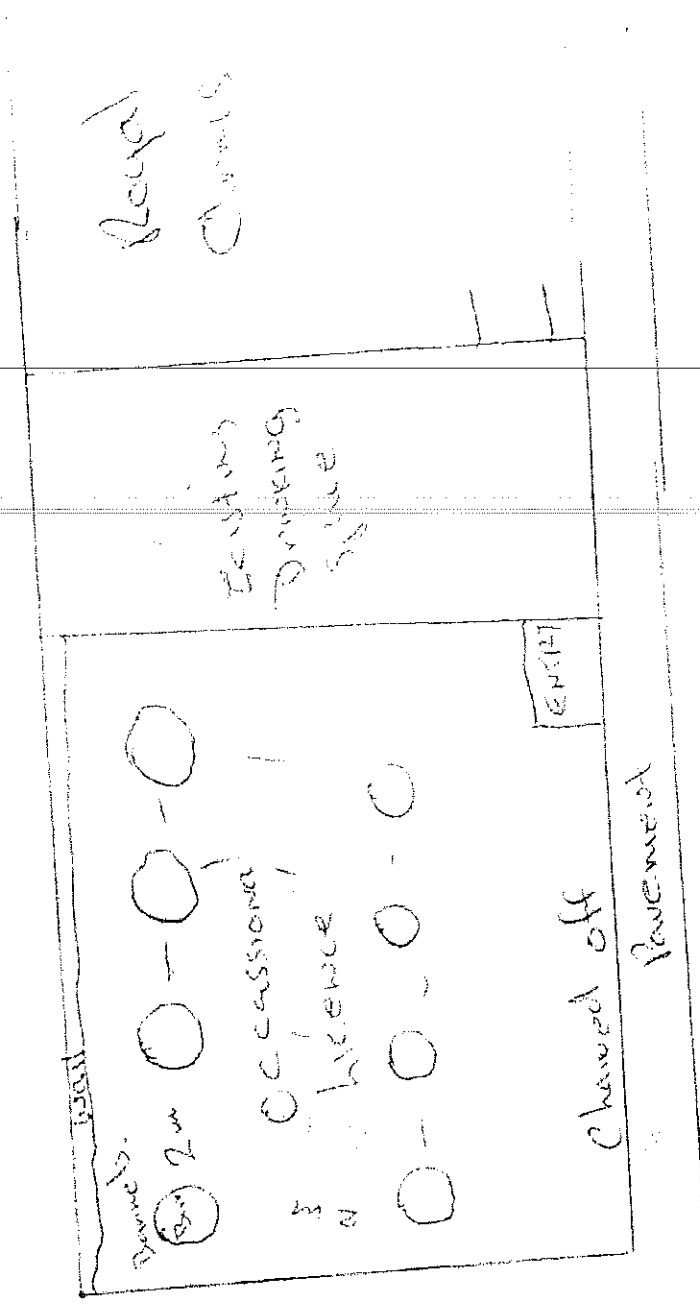

6. In a period of extended licensing of this area during 2020 and 2021, the use of the area has attracted no adverse comments or complaints, despite being fairly close to a residential area.
7. The applicant has been advised that he should only use personal licence holders or other staff trained to the standards required by the Licensing (Training of Staff)(Scotland) Regulations 2007 to sell alcohol at the premises.
8. The applicant has also been advised that any staff left in charge at the premises should be the holder of a personal licence or should be able to make immediate contact with a personal licence holder responsible for the management of the premises, during all licensed hours.
9. Appendix A contains a list of suggested conditions that the Licensing Board may wish to impose on granting this application. These conditions are necessary to ensure compliance with the licensing objectives contained within The Licensing (Scotland) Act, 2005.
10. The applicant is familiar with these conditions.

Paul Fair

Licensing Standards Officer.

Appendix A

- 1 Alcohol sold for consumption in the licensed outdoor area will be ordered from, and delivered to the table, by staff employed at the premises.
- 2 The outdoor area must be clearly separated from any neighbouring unlicensed area by a physical barrier such as a fence or series of posts and rope or tape of at least 1 metre in height.
- 3 The outside area can only be occupied by persons seated at a table.
- 4 The licence holder must ensure that alcohol is only consumed by persons seated at a table.
- 5 All drinks whether alcoholic or not sold or supplied for consumption in the outdoor area, will be sold in or decanted into plastic or polycarbonate drinking vessels.
- 6 No entertainment, live or recorded music or performances will be permitted in any outdoor area. The licence holder must take steps to ensure that patrons comply with this condition.
