This application should be submitted a minimum 7 days before transport is to commence. The parent/guardian may need to make their own arrangements for the child to travel to and from school until any arrangements are put in place.

Free home to school transport will be provided to:

- Children under 8 years of age at the start of the school session, where the distance from home to catchment area school exceeds 1 mile by the shortest available safe walking route;
- Children over 8 years of age at the start of the school session, where the distance from home to catchment area school exceeds 2 miles by the shortest available safe walking route;
- In addition to distance entitlement, free home to school transport will be provided when a route is assessed as being unsuitable for a child to walk to school whilst accompanied by an adult.

Information regarding the Council's School Transport Policy can be viewed at:

www.clacks.gov.uk/learning/hometoschooltransport
