# School Swimming Survey

Age Range of Potential Participants

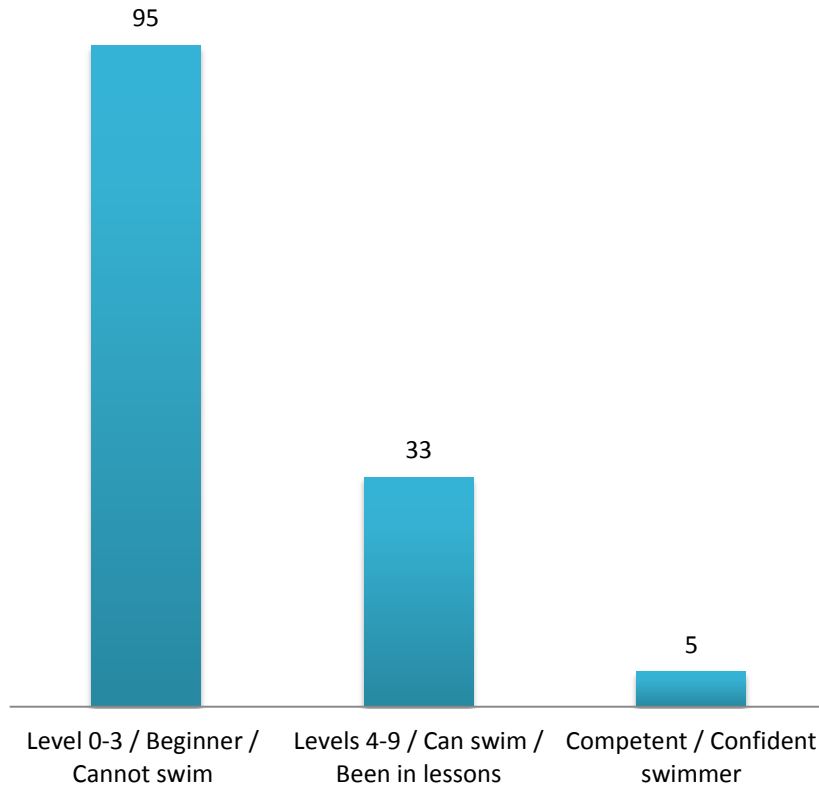

# School Swimming Survey

## Indicated Swimming Ability

# School Swimming Survey

## Stated Level

## *Would you be interested in your child joining the swimming club?*

- 362 families answered 'YES'
- Only 279 wanted to be contacted about it!
- 133 were able to state what level their child was at

# Next steps

- Alloa Amateur Swimming Club to invite pupils to attend trial sessions based on survey responses
- Data gathered to be fully analysed & used to formulate a Learn to Swim delivery model when pool time becomes available
